ACRYLATE

Akrylin

High weather resistance and colour durability

Akrylin facade paint is a genuine 100% acrylate paint. It is easy and light to apply. It has excellent adhesion and provides ideal flexibility when painting wooden surfaces outdoors.

Water-borne and environmentally friendly Akrylin is suitable for new and previously painted sawn or planed timber surfaces. It is designed for exterior walls, weatherboards and other wooden structures. Its semi-matte surface blends well with the landscape and remains unchanged over a long period.

AKRYLIN FACADE PAINT

Water-borne acrylate paint for wooden surfaces outdoors. Suitable for new primed sawn and planed surfaces and wooden surfaces previously painted with acrylate, dispersion or oil paints.
