

MDF Sealer

TEKNOSEAL 4022

Specially formulated for MDF materials

Teknos' special primer, TEKNOSEAL 4022, is specially formulated for use on exterior MDF wooden materials and designed to ensure lasting results when applied as part of a coating system. TEKNOSEAL 4022 can easily be applied by brush, hand or automatic spraying systems.

Best in Test

TEKNOSEAL 4022 strongly reduces water permeability and swelling of the exterior MDF and HDF. TEKNOSEAL 4022 has been tested by WKI Fraunhofer Institut, where it received category "W3" – the best value according to DIN EN 1062-1, which stands for "low water permeability".

The WKI test also confirmed that its dry adhesion complies with the DIN EN ISO 2409 requirements for coating systems.

You are as safe as houses

TEKNOSEAL 4022 has been developed to ensure durability, convenient handling and ease of application. The TEKNOSEAL 4022 is water-based and one-component.

EU regulations

We comply with the rules according to the VOC Directive. We work continuously to ensure that our products comply with the REACH regulations.

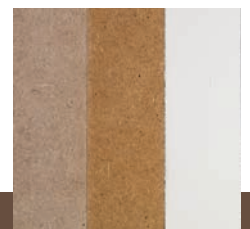

Give us a call

A call to Teknos is a quick and easy way to get sound advice if you are considering using TEKNOSEAL 4022 or any other Teknos coating product. Our technical support organisation are always ready to support you in designing your optimal coatings solution and application system.

▲ TEKNOSEAL 4022 ensures dimensional stability and protect edges and milled grooves against absorption of moisture

TEKNOSEAL 4022 "Best in Test" (performed by WKI) for products sealing MDF. ▼

Features and benefits

Features	Benefits
Areas such as cut edges and milled grooves are protected against absorption of moisture	Proven reduction of dimensional changes
Reduction of swelling	Excellent dimensional stability
Provides optimum adhesion for subsequent treatment of the surface	Excellent end result and, consequently a very durable surface coating

TEKNOSEAL 4022

Content	Synthetic binder, water
Colour	Colourless
Packing	20

Recommended coating systems

	Exterior MDF wooden materials 3-layers
Special primer	TEKNOSEAL 4022
Intermediate	AQUAPRIMER 3130
Topcoat	AQUATOP 2600
