Matt wall paint with a low side gloss for demanding professionals

Matt TEKNOSSPRO 7 Wall Paint is the newest member of the high-quality TEKNOSSPRO architectural paint series. It is an M1-classified acrylate dispersion paint for dry interior spaces with wear resistance category 04. The painted surface has excellent wear resistance, and it tolerates wiping.

TEKNOSSPRO 7 Wall Paint is easy to apply and leaves an even and pleasant-looking matt surface with a low side gloss. Suitable for concrete, plaster and filler surfaces and various kinds of building boards and brick surfaces. Also suitable for repainting old alkyd and dispersion paint coats.

NEW!
