

DECLARATION OF PERFORMANCE

for product **TEKNOSPRO BREPLASTA LW**

No. 1012

1. Unique identification code of the product-type:
EN 15824: 3A
2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):
batch number: see packaging of the product
3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:
Finishing materials for plasterboard.
Interior use.
Hand application.
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):
Teknos Oy
Takkatie 3, P.O.Box 107
FI-00371 Helsinki, Finland
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):
not relevant
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:
System 3
7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

The notified body SP, Swedish Technical Research Institute has made ITT on Fire Classification.
Report number: P602832A
8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:
not relevant

9. Declared performance

Essential characteristics	Performance	Harmonised Technical specification
Water-vapour transmission rate	NPD	EN 15824
Liquid water permeability	NPD	
Adhesion	> 0,35 MPa	
Thermal compatibility	NPD	
Design thermal value	NPD	
Reaction to fire	B-s1, d0	

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Helsinki 31.5.2013

Kurt Blomqvist, Research Director

Anna Lönnström, Research Manager
