

Important information for you as a supplier to Teknos d.o.o.

Dear valued supplier,

In order to improve our supplier invoice process, we wish to receive e-invoices from our suppliers. By choosing e-invoicing both Teknos d.o.o. and its suppliers will gain a more efficient administration, reduce the ecological footprint and further strengthen our cooperation. Therefore, we would like to ask you, as an important supplier to Teknos d.o.o., to please start sending us e-invoices latest 15th September 2020.

We wish to receive supplier invoices in the following priority:

1. **E-invoice:** (see below for more information) or if this is not applicable:
2. **E-mail:** TeknosSI.invoice.pagero@process.esker.net

E-invoice

Company name	Teknos d.o.o.
VAT number	SI90358597
Organization number	3375170000
E-invoice address	003722100424
Service provider	Pagero

If you use Pagero as service provider: add Teknos d.o.o in your customer directory in Pagero Online.
If you use another service provider: contact your service provider to order routing.

If your company sends invoices rarely, or do not have means of sending invoices, Teknos d.o.o. offers you an access to Pagero Free Web portal which is a cost-free service for sending e-invoices to Teknos d.o.o. To start using this service, please register your company at <https://www.pageroonline.com/public/registrationWizardPublic> and enter project code **FreePortal_Teknos**. Please note that a PDF-invoice via e-mail is not an e-invoice.

If you need assistance with Pagero Free Web Portal, please contact Pagero Support. You can send a ticket at <https://support.pagero.com/> or call (+46-31 730 88 84).

E-mail
