

## INTERNSHIP TESTIMONIALS

Find out what former interns have to say about TEKNOS:

### Glenn Yoong

Marketing Intern, 2019  
@ Teknos Malaysia

*"At the end of my internship, my experience in Teknos changed me not only as an employee but also how to be a responsible person in*

*general. I have mastered the skills to communicate with people from different levels who are very different from me in terms of background and working experiences. I have also learnt to adapt, overcome and improvise in every situation. This internship has definitely increased my interest in pursuing a career in Marketing"*

### Tram Nguyen

CSR Trainee, 2018  
Now employed as permanent staff  
as Sustainability Specialist  
@ Teknos Group OY, Finland

*"At Teknos I am given meaningful projects and tasks that support my career interest and professional development. I value the relatively low-hierarchy culture and blissful atmosphere here at Teknos considering its size of a global company. We have ambitious targets and work hard to achieve, but also have moments to enjoy some good laughs with the managers and colleagues."*

### Maiju Mansikkamäki

Finance Trainee, 2018  
Now employed as permanent staff  
@ Teknos Group OY, Finland

*"I started as finance trainee last year and has become a vital part of the finance team by*

*accepting the position of Assistant Group Controller as a fulltime employee in Teknos. Next to my full-time job, I'm studying my MBA at the University of Turku, and hope to graduate by the end of this year after I have completed my final thesis "Company Perception on Transfer Pricing"*

## WE MAKE THE WORLD LAST LONGER

Teknos is a global coatings company with operations in more than 20 countries in Europe, Asia, and the USA. Teknos is one of the leading suppliers of industrial coatings with a strong position in retail and architectural coatings.

Teknos wants to make the world last longer by providing smart, technically advanced paint and coating solutions to protect and prolong. Teknos always works in close cooperation with its customers. Teknos was established in 1948 and is one of Finland's largest family-owned businesses.

## INTERNSHIP @ TEKNOS MALAYSIA

## JOIN THE TEKOS FAMILY

Working at Teknos means that you will be working in a fair, open and creative company, where professional and personal development are encouraged. Teknos people truly enjoy working here: according to our employee survey, 89 % of employees would recommend Teknos as an employer.\*

As a company, Teknos has strong focus on development, innovation and environmental aspects. Teknos working culture stems from our unique heritage. We have come a long way from a small test lab put up in a hen house to a global and growing coatings company.

Our values guide our operations: **Creativity**, **Persistence** and **Fairness** still shine through in our everyday work and the way we treat our people and our customers.

**Embarking on an internship at Teknos can definitely be something that transforms your life and gives you new perspective.**

### Internship programme

Teknos offers paid internship programmes ranging from three to 12 months, providing on-the-job training learning experiences for students who express an interest in pursuing a career in the industrial paints and coatings industry. Students are offered in a range of functions across the company:

- Accounting & Finance
- Marketing, Communications & PR
- Operations
- Procurement / Purchasing
- Research & Development (Chemical, QA/QC)
- Sales & Business Development
- Technical Service

### How to apply

At the beginning of your academic year, write to our Teknos HR Department [hr.malaysia@teknos.com](mailto:hr.malaysia@teknos.com) to enquire about available positions. Alternatively, check with your campus career services to see if **Teknos Malaysia** will be scheduled on your campus. If you don't see a position that's right for you, feel free to send us an open application. Tell us what area of work you're interested in and what you would like to learn.

### Internship programme

- For interns: gain work experience, develop skills and gather valuable industrial knowledge and insights.
- For bachelors, masters or PhDs: it is possible to write a thesis or dissertation in combination with an internship at Teknos.
- Meet new people and practice networking skills while establishing a network of professional contacts, mentors, and references.
- Opportunity to accelerate your growth by working on challenging projects with talented, appreciative and cooperative teams.
- After graduation: opens up doors for permanent employment and exciting career prospect at Teknos.
