32/13/9654/02

Applicant: Teknos A/S
Industrivej 19
DK-6580 Vamdrup

Order date: 2013-03-06

Received: 2013-03-06

Subject: Evaluation of efficacy against blue-stain fungi of
Tekno Aqua 1410-01 (1711448)
according to
EN 599-1 (07/2009)

This document comprises 5 pages including annex. It refers exclusively to the material submitted for testing and remains property of MPA until completion of full payment. Publication is only permissible if published as a whole. Publication of excerpts, references to tests for purposes of advertising and the use of contents of test reports require in every single case the revocable written consent of MPA.

We hereby declare this report was produced to the best of our knowledge, impartially and independently, that is not under instructions of any party. MPA Eberswalde reserves the right to change, supplement and revoke this report for important reasons (e.g. because of appearance of significant new evidence).
